MAIN FEATURES

The ShredPro Moray is equipped with a powerful motor operating in conjunction with a sturdy heavy duty chain drive system with metal gears. Carbon hardened steel cutting knives are unaffected by staples and clips and the high precision design of cutting knives allows high shred loads. The large entry throat allows easy and quick shredding of every paper size in the office. Motor thermal protection: 24 hour continuous duty motor without overheating or duty cycles. Standard integrated Automatic Oiling System eliminates the need to manually lubricate the unit. The ShredPro Moray is equipped with the Energy Smart System for environmental protection and energy cost savings. The standby mode is activated just after 8 seconds of non-operation.
